

# Squirrels Class Newsletter.

19<sup>th</sup> June 2026

## What have the Squirrels been up to this week?

- In **RE**, we explored what Shabbat is, and why it is important. We cut (croissant) bread and drank some wine (Ribena or water) and discussed why Shabbat is important in Judaism.
- In **English**, we continued with this terms book and started discussing poetry. Have made a word bank to help us so we can write our poetry next week.
- In **Maths**, we finished fractions this week and wow, wow, WOW! Squirrels have blown me away with their understanding and resilience with fractions. We have spoken a lot about pizzas and sweets when learning about halves, quarters, thirds, and three-quarters.

Our Core concept this term is:

### Celebration and Change

In **DT**, we continued to look at stick and shadow puppets, then ranked them and the puppets from the first week, to decide what our favourite kind of puppet is.

In **History**, we discussed how toys have changed over time. We looked at the materials of old toys and new toys and wondered how technology has changed how we play.

## Celebrations and What the Squirrels have to say...

### For our 'Work on the Wall'

Year 1: **Fen's** knowledge around fractions has been astounding. Mrs Buss had a visit into the class room and she commented on Fen's incredible answers during maths. Well done, Fen.

Year 2: **Maria** has written a wonderful factfile about Davison's Mill, independantly writing fantastic adjectives throughout. Great work, Maria.

### Our Headteacher's Award

**Martha** shows so much compassion everyday at school. From assisting other children with reading or tidying up the tablets. She always asks who needs help and is always there to lend a hand.

Thank you, Martha.

### *Our Pupil Voice*

*Amariah: Toys are made out of so many different materials.*
