

Otters Class Newsletter

Friday 10th October 2025

What has been happening this week?

In **RE**, we have explored how covenants are used in reality – focussing particularly on weddings and the promises made during a ceremony.

In **English**, we have finished reading our book and started looking at our big write of a diary entry.

In **Maths**, we have looked at column addition and started looking at column subtraction

On Monday afternoon, we made scarecrows, did an autumn scavenger hunt and made bird feeders with volunteers from the church.

This week's theme in Collective Worship was shining our light.

Celebrations & Pupil Voice

Work on the Wall: Zac for his great contributions in RE and Louis for using all his spelling words in a piece of writing.

Headteacher's Award: Olivia for showing curiosity in her maths learning especially when doing column addition.

Shining Stars: Zac, William,

Pupil Voice: "Is the new animal at the farm a lion?" said Edie, "Wouldn't that be cool?" said Farmer Max
