

Squirrels Class Newsletter.

31st October 2025

What have the Squirrels been up to this week?

- In **RE**, we have started our new terms topic of 'Why does Christmas matter to Christians?' This week we discussed what made us think about Christmas, we got very excited talking about Christmas lights, Coca-Cola Adverts and Benja's new hat.
- In **English**, we have started our new book. The book cover without the title started our conversation around winter which has got us all excited for the term.
- In **Maths**, we are finishing our unit on 'addition and subtraction' while consolidating our numbers to 20.
- In **Core Concept**, this term our Core Concept lessons are DT and Geography. In DT, we will be exploring dials and how they are used. In Geography, we are looking at 'What is the power of the seasons?' starting off with looking at the different seasons in the UK and discussing which is the hottest and coldest.
- This week's theme in Collective Worship was based around wisdom and proverbs.

Celebrations and What the Squirrels have to say...

For our 'Work on the Wall'

-Year 1: Saaya during RE drew a beautiful picture of what Christmas looks like to her that she worked extremely hard on.

-Year 2: Rupert has working fantastically well in maths this week when exploring how to find a part of a number. He flew in his indepent work which was amazing.

Our Headteacher's Award

-Noah spend some of a math's lesson this week using resources to help over children find a part off his own back. He was kind and patient, I felt incredibly proud of him in this moment.

Our Pupil Voice

I asked the class this week about hibernation and Martha gave the most fantastic definition down to giving an example of 'Squirrels collect nuts and then eats them throughout winter.' She blew me away.

Important Information:

- PE is on Tuesday afternoons.
- Welly Wednesday is on Wednesday afternoons.
- Next Thursday, year 1's will be at the farm for the morning with Mice class.
- On the calendar, it says that there is a PTA school disco next Friday the 7th of November.

Teacher Message:

Thank you to all the parents that came along to parents evening, it was so lovely to meet you and and discuss our wonderful Squirrels.
