

Badgers Class Newsletter.

Friday 12th September 2025

What have the Badgers been up to this week?

- We have continued with reading Warhorse - we have got to Chapter 4. This week the children heard how Mr Narracott is considering selling the horse Joey - the Badgers did some drama around whether he should keep or sell Joey. The Badgers then wrote a short persuasive letter explaining what they think he should do.
- The Badgers have continued with place value and in arithmetic we have been working on long multiplication. Learn those times tables Badgers - that will really help!
- Our unit in Science this term is light.
 - Art this week we started looking at the artist John Piper - Piper specialised in painting the destruction caused by bombings in the second world war.
- We had our first RE session on Wednesday and we reflected on how Christians believe that God is all-loving (omnibenevolent). We thought about how God loves us and what makes us all special as individuals.

Celebrations and What the Badgers have to say...

For our 'Work on the Wall' this week we are celebrating **Ed** and **Erin**. I think that Ed has settled into Badgers brilliantly - he has been outstanding in Maths and I am very proud of the work he is producing. We are also celebrating Erin, I could pick many pieces of work. I chose to share her thoughtful and careful piece from our RE lesson. Erin is a great role model to her peers!

Our Headteacher's Award goes to... **Ivy**! Ivy has shown courage with how she has settled so well into the Badgers, she contributes well to class discussions and has really stood out to me! Well done 😊

Shining Stars: This year the children will be earning shining stars. I have given out a few this week - the Badgers are working towards earning 20 stars to get their bronze award. Let's see who can make it to Gold!

Our Pupil Voice:

From our RE lesson: The Badgers were asked, 'Can love ever run out?'

"No, because there is always someone in this world who loves you."
