

# Mice Class Newsletter

## Friday 20<sup>th</sup> March 2026

### What have the Mice been up to this week?

#### Literacy

This week in English, we have looked at different rainforest pictures and described all of the wonderful things we could see in this habitat. We had a go at writing a sentence beginning with 'I can see...'

#### Maths

In maths this week we have been working on our number bonds to 10. We created our own number bonds rainbows to help find all of our number bond pairs and we learnt a new number bond song too, which we love!

#### Phonics

In phonics this week we have been practising to read and write compound words and words ending with 'ing'. Our tricky words of the week which we have focused on reading and spelling were was, you, they and all.

### *Our Core Concept this term is... Perception and Empathy*

#### Other learning this week...

This week in RE, we learnt about the Easter story and that Jesus died on the cross on Good Friday and had risen on Easter Sunday. We have begun putting together our class worship which is next week on Wednesday 25<sup>th</sup> at 9:10am. It will only be a short worship, but each child will say a line or two. Parents are welcome to join us if they can make it. In busy time this week we have enjoyed using the watercolour paints to paint rainforest animals. We coloured cardboard cut outs of African animals, using the felt pens and we have painted pictures for our worship. So a very creative week! We have also enjoyed the sunshine and explored in the woodland area at the back of our school field and played with the bubbles.

#### Celebrations

For our **'Work on the Wall'** this week, we are celebrating **Robyn** for her beautiful presentation when creating her number bond to 10 rainbow. She had a really great understanding of how to use the number bond rainbow to find all the bonds to 10. Clever girl Robyn!

Our **Headteacher's Award** goes to **Freddie** for showing respect and care to our classroom and all of our lovely resources and always having helpful hands at tidy up time. Thank you Freddie.

This week we have a 2<sup>nd</sup> **Headteacher's Award** which goes to **Rafferty** for brilliant maths home learning.

#### Important Messages and Dates for the Diary

**Wednesday 25<sup>th</sup> March-** Mice class worship & book fair arrives.

**Thursday 26<sup>th</sup> March-** Mice Class at farm school

**Monday 30<sup>th</sup> March-** Easter competitions, sponsored hop and egg hunt

**Thursday 2<sup>nd</sup> April-** Last day of term
