

Otters Class Newsletter

Friday 12th June 2026

What have the Otters been up to this week?

-This week in Maths we have continued learning about decimals and started looking at money. Today we got out the coins to make and compare amounts.

-In English, we have been busy building sentences about different plot points within 'Milo Imagines The World' so that we can write our own narratives based on Milo's story.

-In Science we have built upon our learning of what nutrition humans need to stay healthy and thought about the needs of our domesticated animals. This led to some interesting discussion.

- In RE this week we have looked at the values held by a Humanist and thought about why they are important and what they mean. The ideas and reasoning from the children was incredible.

-The Year 4s have now completed their official Multiplication check. I am so proud of how they have conducted themselves this week!

Our core concept this term is:

Celebration and Change

This week we have continued learning about the Vikings and how they came to Britain. We explored the raids at Lindisfarne and the reasons why they happened.

In other news we have begun our preparations for the Key stage 2 production- Matilda Jr. This is truly going to be a celebration of their talent! Today we have cast the roles and will begin rehearsing next week. If your child is not available for the performances on 13th and 14th of July at 6pm can you let us know as soon as possible.

Celebrations and what the Otters have to say...

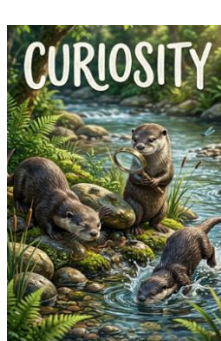

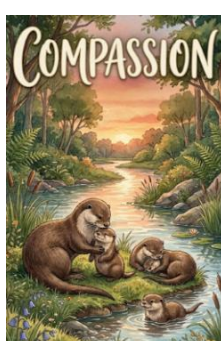

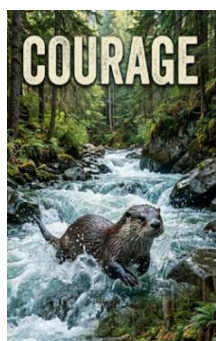

For our '**Work on the Wall**' - this week we are celebrating **Benja** and **Ilsa** for their fantastic sentence work this week and beautiful presentation! Great job, keep it up 😊

Our Headteacher's Award - this week it goes to **George** for his thoughtful responses in our learning about Humanist values, what they mean and why they are important.

Our Pupil Voice "The blue ones are veins, they move blood around your body." Zac's response to a picture of the human body in Science.

Important Information:

- Remember wellington boots and wet weather gear for Forest School every Wednesday - Welly Wednesday
- Thursday 25th June- Farm School Year 4 and Open School from 2:45pm
- Monday 29th June- Sports Day 2-3:20pm

Otters,

Another brilliant, but busy week in Otters with lots of new learning. We will be starting performance rehearsals next week. Well done again year 4s for your bravery and determination with the Official Multiplication Check.

I hope you all have a wonderful weekend.

Mrs Smith x
