

Squirrels Class Newsletter.

15th May 2026

What have the Squirrels been up to this week?

- In **RE**, we were discussing why the Torah was so important in Judaism. We also discussed that the laws/commandments written on the Torah were written by God. We then made our own Torah with what commandments we felt were important.
- In **English**, we have planned and started to write our own Traction Man story. We have been using our adjective and verb knowledge to write an exciting adventure for our own hero.
- In **Maths**, we have started and finished statistics. The squirrels told me that looking at tables (tally/ pictograms etc) were too easy. What clever Squirrels I have.

Our Core concept this term is:

Celebration and Change

In **Art**, we have made our own flag using felt from what we designed last week.

In **Geography**, we made our own Stelling Minnis Primary School out of all the junk modelling you have sent it.

Celebrations and What the Squirrels have to say...

For our 'Work on the Wall'

-**Arthur** is so incredibly kind and always has a smile on his face. He has been really helpful this week assisting Miss Kennedy collecting leaves and twigs at break time unprompted. Thank you, Arthur.

Our Headteacher's Award

-Year 1: **Jojo** has had a great understanding of the animal life cycle this week in science. She made a fantastic diagram of the butterfly life cycle as well. Fantastic work, Jojo.

-Year 2: In RE, **Archie** went above and beyond when making our own Torah this week. Archie wrote so many wonderful commandments that he likes to live by. Great job, Archie.

Our Pupil Voice

Jenson: Yes! I love maths tests!

What a great attitude Jenson.

Important Information:

- PE is on Tuesday afternoons.
- Welly Wednesday is on Wednesday mornings.
- Year 2 are at the farm Thursday 21st May.
- Friday 22nd May end of term 5.

Teacher Message:

Well done badgers for this week. Year 5's for being patient and helpful in the other classes, but to Year 6 for being so resilient in their SAT's, well done Badgers.

Thank you for all the junk modelling bits, we had a mountain of it. The Squirrels loved digging into it all today and it felt truly magical watching them explore and build.
