

Badgers Class Newsletter.

Friday 16th October 2026

What have the Badgers been up to this week?

-In Maths this week we have started our unit on multiplication and division. The children have been working on multiplication in arithmetic - a mix of short and long multiplication. We have also been working on multiples and common multiples.

- In English this week we have created Macbeth story maps, we have thought about and written a royal announcement as King Malcolm to Scotland and we have been writing questions we have ready for our Globe trip.

-In RE this week we

have explored how Christians celebrate God's creation, through festivals, art, music, stewardship and prayer.

- In Science we built circuits and looked at how adding different components can affect the circuit.

- In PSHE we looked at the rights of children and the 'needs' and 'wants' for a child. We also took a plane ride to Spain to begin our Spanish unit- we created fact-files all about Spain.

Introducing our new core concept for this term:

Risk and Responsibility

In History, we have continued researching the decisions Henry VIII took as a Monarch.

For Art we designed Christmas cards - very early! But these will be for you to order, details to come home soon.

Celebrations and What the Badgers have to say...

This week For our '**Work on the Wall**' - this week we are celebrating **Rufus and James**. Rufus has worked tremendously hard in Maths with his multiplying - keep up the hard work Rufus, I am very proud of you. We are also celebrating **James** for his brilliant efforts and writing in English this term. This week we wrote royal announcements for King Malcolm - imagining how he would address Scotland after Macbeth tyrannous reign. Well done James.

Our Headteacher's Award - this week I would like to celebrate **Orson** - for his courage and compassion he was about giving tours to prospective parents on Thursday at our open afternoon. He was a credit to his class and the school, the parent told Mrs Buss 'I've had the tour of my life!' Well done Orson.

Our Pupil Voice: *Orson preparing everyone for being a tour guide 'We have to make this school as good as we can' That's the attitude!*
