

# Badgers Class Newsletter

Friday 4th October 2024

## What has been happening this week?

**In English**, the children have continued to enjoy their learning on the Adventures of Odysseus. This week we have read about him and his crew visiting the land of the dead. The children then wrote some wonderful diary entries putting themselves in the shoes of Odysseus.

**In Maths**, the children have continued their learning on place value with rounding integers. This included reasoning and problem solving.

**In History**, we debated whether we would have preferred to be an Athenian or a Spartan. Most of the class chose Sparta because of their powerful army and the greater freedoms for women.

**In Science**, we learned about inherited characteristics and talked about the things we have inherited from our parents.

**In PE**, the children have enjoyed competitive games of Handball and Bench-ball.
