

What have the Badgers been up to this week?

- In Maths we have begun revisiting some of the trickier concepts in Arithmetic to keep us ticking over. This week it was adding and subtracting fractions with a different denominator. We have also started looking at a problem

solving unit based on booking a holiday- we interpreted climate graphs and priced up booking a holiday.

- In English we have started a new text called 'The Final Year'.
- We have also been planning a non-chronological report about Hindleap. We have looked carefully at model text, thought about the features needed, planned in detail and have now begun a first draft. The Badgers have been working hard on

Our new core concept for the Summer term is:

Celebration and Change

Celebration and Change continues to be our core concept this term. In Geography our core questions is "Why are we proud of where we live?" This unit looks at map reading skills and an in depth study of our local area: Stelling Minnis. This week we practised our map reading and understanding OS symbols. This term we are also doing art – our core question is How can we sculpt a celebration? We are studying the work of Niki de Saint Phalle. This week the Badgers explored her work through pictures and answered some enquiry based questions about her colour choices, style and what they feel her sculptures celebrate.

Celebrations and What the Badgers have to say...

This week For our 'Work on the Wall' - this week we are celebrating **Molly** and **Monty**. I have chosen Molly for her efforts in Maths - she worked really hard trying to find the multiples for adding fractions. Well done! I have also chosen Monty, who has been making a special effort with his handwriting this week 😊 Our Headteacher's Award - this week I would like to celebrate **Rosie** - Rosie is a superstar who always shows our school values! Over the last week I have felt Rosie has been really contributing to the lessons and setting an excellent example to her peers - well done Rosie!

Our Pupil Voice: "This is going to be the best play ever!" Lots of excitement about the play - especially from the Badger girls.

Important Information:

- Please see Mrs Buss big list of important June dates on **dojo**.
- Monday 29th June- Sport's Day 2-3:20pm.
- Monday 13th and Tuesday 14th July - KS2 production, 6pm.
- Leavers Worship (Year 6 only) - Save the date! Friday 17th July 2026 .

Teacher Message:

Have a great weekend!
Scripts for Matilda to go home on Monday - how exciting!

Love, Mrs Jessup xxx
