

Otters Class Newsletter

Friday 28th March 2025

What has been happening this week?

In **RE**, we have been practicing our Easter story performance as well as discussing and answering the big question of 'Why Christians call the day Jesus died 'Good Friday'?

In **English**, we have been drawing story maps and coming up with vocabulary that we can use in our retelling of the race in the story.

In **Maths**, we have finished our fractions topic and been consolidating our learning ready for our end of term assessments next week

In **Music**, we have been practicing our songs for the Easter Service along with a guitar accompaniment and it is sounding great!

This week's theme in Collective Worship was Values – the children discussed what material things are valuable and ultimately what is most important in life
