

Otters Class Newsletter

Friday 12th September 2025

What has been happening this week?

In **RE**, we looked at the Bible – identifying the old and new testaments as well as some of the books. We also looked at the People of God frieze and picked out things we could see to make links to stories in the Bible.

In **English**, we began reading our story of Oliver and the Seawigs. We predicted what the story would be about as well as looked more closely at the main characters.

In **Maths**, we recapped our place value knowledge looking at thousands, hundreds, tens and ones.

This year as part of our new curriculum we have introduced a core concept for each big term which links history, geography, art and DT. We began by looking at water networks in Geography and shading in art as part of our Impact and Power Concept.

This week's theme in Collective Worship was trust.

Celebrations & Pupil Voice

Work on the Wall: Lucian for his beautiful joined up handwriting and perseverance with it that he is now able to write in pen and Sofia for her neat presentation and ambitious use of punctuation.

Headteacher's Award: Ivy for showing curiosity in RE when looking at a picture. She described a mountain as representing courage because it is difficult to climb a mountain.

Shining Stars: William, Isla, Louis, Danny, Sebastian, George, Lucian, Zac

Pupil Voice: "If you are knocked down three times you get up six times." - Rufus

Reminders & Messages

Wednesday 17th September: Flu jabs

Friday 19th September: PTA Coffee Morning

Fridays is outdoor learning so please can children bring in wellies and clothes they don't mind getting dirty.
