

Squirrels Class Newsletter

Friday 27th June 2025

What has been happening this week?

In English... We have started our new book and made predictions about the story and characters. We know already that, Noi is a little boy who lives by the sea.

In Maths... The children have been learning to tell the time, exploring o'clock and half past using an analogue clock.

In RE... This week, we explored Islamic Art by designing a tile inspired by geometric patterns and contrasting colours.

In History... The children made a postcard from a seaside holiday place.

In Geography ... The children had an insightful discussion about "What is sand?" and after, we had an investigation in class, looking at real sand from a local beach.

Celebrations & Pupil Voice

Head teacher award - Maria, has been chosen this week for always making a good choice in class, showing all the schools values and independently doing her work.

Work on the Wall - Year 1/2, Staley and Zac, they created a stunning piece of artwork inspired by Islamic tiles. Stanley took a lot of care colouring the lines and making a pattern. Zac, used bright colours to make his design come alive. Well done boys!

Reminders & Messages
