

Otters Class Newsletter

Friday 5th June 2026

What have the Otters been up to this week?

-This week in Maths we have continued learning about decimals, representing fractions of tenths and hundredths as decimal numbers in different ways.

-In English, we have been looking at our new text this term 'Milo Imagines The World'. We started the week with exploring the sights and sounds of a busy underground station.

-In Science we have started our new topic exploring healthy diets and why we need a skeleton.

-The Year 4s have now completed their practise

Multiplication Check. The Official check will be completed next week. Please use this weekend to practise, especially the 7 and 8 times tables. More information about the MTC can be found here:

[How to prepare for the multiplication tables check | White Rose Education](#)

Our core concept this term is:

Celebration and Change

This week we have started learning about the Vikings and how they came to Britain. We explored and justified our ideas for why they invaded.

In Forest School this week we had to dodge the many rain showers! However we still had a great time finding the best places to shelter.

Celebrations and what the Otters have to say...

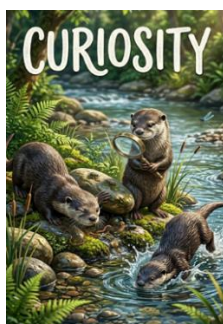

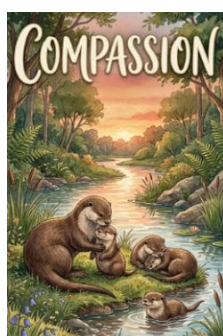

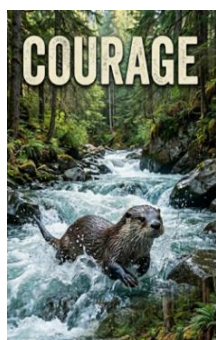

For our 'Work on the Wall' - this week we are celebrating **Rose and Ivy D.** Rose wrote some incredible sentences about Milo's train journey. Ivy worked super hard in Science creating an Eat-well plate showing and explaining why humans need to eat a balanced diet. Great job, keep it up 😊

Our Headteacher's Award - this week it goes to **Vihaan** for his hard work in Science. Vihaan wrote an amazing explanation about what a human needs in their diet, the function of each food group and why it is important in the human diet.

Our Pupil Voice "Owls shouldn't be afraid of the dark because they are nocturnal animals"
Isla's reasoning when sharing her reading book with Mrs Smith.

Important Information:

- Remember wellington boots and wet weather gear for Forest School every Wednesday - Welly Wednesday
- Sunday 7th June- Open Farm Sunday
- Thursday 25th June- Farm School Year 4 and Open School from 2:45pm
- Monday 29th June- Sports Day 2-3:20pm

Otters,

A great first week back with lots of new learning. We have so much to look forward to this term. Well done year 4s for your bravery and determination with the practise Multiplication Check.

I hope you have a wonderful weekend and hope to see lots of you at the farm on Sunday.

Mrs Smith x
