

Otters Class Newsletter

Friday 22nd March 2024

What has been happening this week?

In **English**, we have been completing our big write in which we drew a rainforest scene, planned, drafted and wrote neatly a detailed description about it.

In **Maths**, we have learnt about money. We have added and subtracted it as well as found change.

In **Topic**, we have learnt about the different layers of the rainforest and researched an rainforest typical animal.

We have also put together and practiced our Easter Service – acting out the Easter Story as well as practicing our songs.
