

# Otters Class Newsletter

Friday 15<sup>th</sup> November 2024

## What has been happening this week?

In **RE**, we looked at peace and the messages that are shown in the gospels.

In **English**, we explored and wrote poems about school. I was really impressed with their creations and we are going to make them in to a book.

In **Maths**, we have learnt some more of our Times Tables.

In **Science**, my dad came in to talk to us about electricity. We learnt a lot and had a go at changing a fuse.

## Celebrations & Pupil Voice

**Work on the Wall:** Louis for his great drawing about a poem and Lily for her great poem about school.

**Headteacher's Award:** Wilf and William for showing a love of learning especially in science.

**Shining Stars:** Molly, Isla, Lily, Georgie, Zakir, William, Ed, Rosie,

**Pupil Voice:** "Electricity is so cool"

## Reminders & Messages

**Thursday 21<sup>st</sup> November:** Farm School for year 4. Remember to wrap up warm!
