

Squirrels Class Newsletter.

14th November 2025

What have the Squirrels been up to this week?

- In **RE**, we looked at how Christians prepare for Christmas and made a wreath filled with all the reasons we are thankful especially leading up to Christmas.
- In **English**, we have discussed how dormice and bats survive the wintry weather.
- In **Maths**, we have been looking at numbers to 100. I have been trying to trick the squirrels when splatting our numbers, but they haven't been fooled.
- In **Core Concept**, we have started comparing the UK weather to other countries in the Northern Hemisphere concentrating on Thailand in Geography. In DT, we have been designing a weather dial and deciding on its specific purpose.
- This week's theme in Collective Worship was thinking of others. We have really explored remembrance and Children in Need.

Celebrations and What the Squirrels have to say...

For our 'Work on the Wall'

-Year 1: Fen for his great understanding around how dormice hibernate which was finished by drawing the most amazing picture. Well done Fen!

-Year 2: Benja made a fantastic creation on Welly Wednesday this week where he made an owl out of objects found in the forest area. He then put his nature frame around it which made it look like a beautiful picture.

Our Headteacher's Award

-Martha is always kind and compassionate. She is always asking to help tidy up or hand out sheets. She is always doing the right thing and I am very grateful. Thank you Martha.

Our Pupil Voice

James-Henry: animals look so cute when they hibernate.

Important Information:

- PE is on Tuesday afternoons.
- Welly Wednesday is on Wednesday afternoons.
- Clubs start up next week if you have signed up. Look out for a confirmation message.

Teacher Message:

If you want to practice our number splat game at home. There is a link below, they will be able to tell you how we play however I either give a number or give a number plus one or two.
