

# Badgers Class Newsletter.

## Friday 19th September 2025

### What have the Badgers been up to this week?

- We have continued our focus with chapter 4 - the Badgers are working towards writing their first extended piece.
- This week we have been ordering and comparing integers, rounding numbers to the nearest 10, 100, 1000 and rounding numbers up to ten million. We have also done arithmetic every morning.
- This week we investigated how light travels in straight lines - the children recreated a simple investigation to test this.
- In our Art lesson the children created their own mood boards inspired by the work and style of John Piper.
- For History we looked at a map of Europe in 1914- we learnt about the countries involved in the Great War - who were allies, who shared treaties and which countries made up the 'Triple Entente' and the 'Triple Alliance'.
- In RE we have explored the ways in which Christians describe God.

### Celebrations and What the Badgers have to say...

For our 'Work on the Wall' this week we are celebrating **Lily** and **Monty**. I have chosen Lily because after some time off this week, she has missed some English lessons, yet created the most amazing start to her Warhorse Narrative. Ambitious language and great suspense - well done. I have also chosen Monty for this brilliant mood board in art - I love his choice of colours and design, he really worked hard on his piece - well done!

Our Headteacher's Award goes to... **Bonnie!** Bonnie has shown such curiosity with her homework - she's been coming in daily with a new piece of homework or research or a family artefact from WW1 - thank you for the joy and enthusiasm you bring to the class Bonnie.

#### *Our Pupil Voice:*

Mrs Buss enters the room - "I have news... Farm school is back!"

"Woowoooo...!!" The cheers of joy for Farm school starting were immense and so lovely to see the Badgers so excited to get back to it!
