

Squirrels Class Newsletter
23rd October 2026

What have the Squirrels been up to this week?

- In **RE**, we recapped what we had learnt this term. We spoke about the Christian Creation Story and how we look after God's whole.
- In **English**, we wrote and finished our instruction writing. The children worked so hard on sequencing their writing and using their bossy verbs.
- In **Maths**, we started the week by introducing the year 1's to taking away and ended the week by finishing our maths unit on addition and subtraction.

Our Core concept this term is:

Responsibility and Risk

On Wednesday, we participated in 'Play and Play' where we did three activities around Pilgrimage. This week we made 'Pumpkin Hummus' in Squirrel Class from a pumpkin that was grown in our own Poly Tunnel.

Celebrations and What the Squirrels have to say…

For our **'Work on the Wall'**

Year 1: **Levi** has impressed us in RE this week. We discussed what we have learnt this term and his knowledge of the Creation story was fantastic, he gave me a brilliant retelling of the story and I was blown away.

Year 2: **Amariah** took her time on her instruction writing, she worked on her handwriting and she has produced a wonderful piece of english. She made me do a happy dance. Well done, Amariah.

Our Headteacher's Award

-Arthur has blown me away this week, he has worked so hard in every aspect of school but in Phonics he has been extremely resiliant and it has really paid off making us very proud.

Important Information:
