

Mice Class Newsletter

Friday 23 May 2025

What has happened this week?

RE—We have begun to look at some special stories in the Bible—this week we learnt about Jonah and the big fish

Physical Development ... The children are enjoying being out on the field practising running, throwing and jumping skills.

Communication and Language/ Literacy ... Some super Gruffalo books were written by our budding authors in Mice class!

Mathematics... We have been exploring subtraction number sentences to 10 and learning the subtraction and equals symbols.

Phonics—We continue to revise all the Phase 3 GPC's and tricky words and practised chunking longer words. The children also completed their assessments this week—well done all!

Expressive art and design — The children have loved music sessions with Mr Melville—they have been working on tempo and pitch and learnt lots of new songs accompanied by Mr Melville on the guitar.

Reminders & Messages

Worship this week: This week it has been Christian Aid week. We learnt about a community in Guatemala who have been supported by Christian Aid to upskill and develop their land to produce Cacao and crops.

Work on the Wall: Holly for her fantastic bookmaking skills to produce her own version of the Gruffalo.

Headteacher award: JoJo for showing respect when saying a prayer during our Class Worship.

Wishing you all a very happy half term break!
