

Mice Class Newsletter

Friday 6th December 2024

What has happened this week?

In Personal, Social and Emotional Development... We have been thinking about how we can show kindness by playing with everyone in our class

Physical Development ... Lots of fun in tag rugby this week !

RE—The children have been embedding the Christmas Story in their learning, they have loved playing with the advent nativity scene in class and of course lots of singing our our show songs!

Communication and Language/ Literacy ... Some great writing this week using the book *How to Catch a Star*

Mathematics... We have looked at the numbers 4 and 5 in more detail, subitising and looking at cardinality

Phonics—This week has been a review week. We have revised s and s that makes /z/ for plurals and verb forms. Tricky words—we/she/push/of/he/me/be

The children are getting very competent in the spelling section of our phonics and use sound buttons to write words such as cups, nod and buzz
