## What has been happening this week?

In **English**, we begun our story of Charlotte's Web by exploring the characters of Fern and Mr Arable and their relationship with each other.

In **Maths**, we have looked at factor pairs, multiplied and divided by 10 and 100 and multiplied 3 numbers together.

In **History**, we looked at how the Stone Age links to our new topic of the Iron Age and recapped what we could remember about the Stone Age.
