What has been happening this week?

This week was prayer and reflection week. We had special worships from a few visitors as well as lots of fun in Messy Church. We also went to Stelling Church to explore a non-conformist church. Finally, we took part in a yoga and mindfulness session as part of Children's Mental Health Week.

In **English**, as we have finished our big write, the children completed some free writing which they were all very engaged and excited about. They created both fiction and non-fiction pieces.

In **Maths**, we finished our length and perimeter topic by working out the perimeter of regular and irregular shapes.
