

# Squirrels Class Newsletter.

## 2026

### What have the Squirrels been up to this week?

- In **English**, we have been introduced to a new alien friend called 'Beegu.' We had an alien crash landing in the playground this week, thankfully no one was hurt
- In **Maths**, we have continued our unit on shape. Concentrating on counting the different faces, edges and vertices on 3D shapes.
- In **Core Concept**, in art, we are seeing how black and white can affect the shades of colour. In geography this term, we will be comparing the weather at Stelling Minnis Primary school to somewhere else in the world. So this week, we refreshed our memory on what the weather is like here as well as how it changes throughout the year.
- This week's theme in Collective Worship was safeguarding and who's job it is to keep the children safe.

### Celebrations and What the Squirrels have to say...

#### For our 'Work on the Wall'

-Year 1: **Mina** has completed an incredible piece of maths around this week that has blown me away. What a great first week Mina.

Year 2: **Maria** has drawn a brilliant picture when we discussed planting our daffodil bulbs and you were a great help while planting.

#### Our Headteacher's Award

**Arthur** gets our Head Teacher award this week for walking in on his first day, sitting, listening and answering questions all before my chocolate break (that's 10 o'clock but just in the Christmas holidays I promise). Well done Arthur, what a fantastic start.

#### *Our Pupil Voice*

*While looking at our first picture of Beegu and how we think they are feeling.*

*Fen: he feels small inside.*

### Important Information:

- PE is on Tuesday afternoons.
- Welly Wednesday is on Wednesday mornings.
- Last week it was VERY cold, please make sure the children have clothes to wrap up warm that are named so we can get any lost clothes back to owners.

### Teacher Message:

Happy New Year!

I hope everyone had the most amazing time off together.

Primary Sports Giants have taken over Welly Wednesday, they are experts in Forrest School and I think we will learn a lot and the children will love them.
