

Squirrels Class Newsletter.

27th February 2026

What have the Squirrels been up to this week?

- In **RE**, we discussed the Easter Story. We travelled around the classroom and looked at some of the important moments of the Easter Story.
- In **English**, we introduced our new story 'The Robot and the Bluebird.' We always make sure we read the whole story by the end of the term so please try not to spoil the ending for the children. We were using adjectives to write an expanded noun phrase about the scrapyards the robot was left in.
- In **Maths**, we have been 'exchanging' again. We have spoken about how 1 ten = 10 ones but also 10 ones = 1 ten. Squirrels have been amazing with addition and subtracting but exchanging has been tricky.

Our Core concept this term is:

Perception and Empathy

Celebrations and What the Squirrels have to say...

For our 'Work on the Wall'

-Year 1: **Fen** has independently written a fantastic structured sentence this week when we were predicting what we think our new book would be about. Well done Fen.

-Year 2: **Archie** has been working so hard on his presentation that he has blown me away, especially in maths this week when he did an amazing job of keeping one number in each box! Wow! Good job!

Our Headteacher's Award

-**Noah's** attitude to learning has been brilliant, he has been trying really hard and has become very resilient. He has made us very proud, really challenging himself. Thank you Noah.

Our Pupil Voice

*Maria: The robot looks so lonely.
(What a brilliant observation Maria)*

Important Information:

- PE is on Tuesday afternoons, it is Hockey this term.
- Welly Wednesday is on Wednesday mornings.
- Author Emma Rosen will be in on Monday to talk to us.
- World Book Day is on Thursday 5th all info is on DOJO written by Mrs Jessup on 13th February.
