

Badgers Class Newsletter.

Friday 13th February 2026

What have the Badgers been up to this week?

- An amazing ceramics workshop on Monday. Our creations should be ready for us to take home next term.
- We have continued working hard on percentages this week - including an epic Jet2holidays lesson.
- The Badgers have been working hard to finish their writing - they have been writing an adventure narrative based on 'Children of the Benin Kingdom'.
- We have completed lots of lovely tasks that promote and support our mental health including, circle times, a class mosaic activity, an 'I belong' art piece.
- A muddy but absolutely epic forest school session.
- I think the Badgers also enjoyed their free time afternoon which was so well-deserved.

Our core concept this term is:

Perception and Empathy: Next term our core concept remains the same but we will be focusing on Fair Trade in Geography, our text in English is a non-fiction text based on Fair Trade and in DT we will be making boats.

Homework Heroes!!

A big well done to the following children this term for completing all 5 pieces of Maths homework as well as 5 pieces from the homework grid!

Ava, Bonnie, Erin, Finlay, Monty, William, James and Molly.

Celebrations and What the Badgers have to say...

For our 'Work on the Wall' - this week we are celebrating **Rosie and Erin** - I have chosen both of these girls for their amazing effort and hard-work in our Jet2Holidays maths lesson this week. The math was challenging, the children had to work out the discounted prices with their knowledge of percentages and then price up holiday deals for different families. Well done both of you for working so hard and not giving up! 😊

Our Headteacher's Award - this week it goes to **Monty**. Monty was the first Badger to complete all 10 pieces of homework! Well done! 😊

Our Pupil Voice: "Nothing beats a Jet2Holiday! According to the Badgers."

Important Information:
