

# Badgers Class Newsletter.

Friday 17th October 2025

## What have the Badgers been up to this week?

- How are we at the end of our first term together? Well done Badgers. It has been a fantastic start to the year.
- We started the week on our amazing school trip to the trenches in Elham. The children had an excellent time - despite the rain! Richard who took us around the site was very knowledgeable! There are some amazing photos so once I am all caught up I'll be sure to add some to the website.
- After our trip we were inspired to write some letters from the trenches in English.
- We have continued reading war horse - sadly we have not finished but we can continue with it as a class story book into next term.
- The Badgers have done arithmetic everyday and we have focused this week on long multiplication - multiplying four digit numbers by 2 digit numbers.
- In Science we investigated how mirrors reflect light by creating a light maze.
- Well done to the Badgers for their help and support with our open afternoon - it was a great success! We had our young farmers outside helping Farmer Henry and the rest of the class helped give tours to new families.

## Celebrations and What the Badgers have to say...

For our 'Work on the Wall' - this week we are celebrating **Freddie** and **Harry**. We are celebrating both boys for their excellent effort with their letter from the trenches writing. Harry has had a great term in Badgers ; he is a great Year 6 pupil who has been working particularly hard with his writing. Well done. A huge well done to Freddie, writing is not Freddie's favourite thing to do. However he put lots of effort in his letter writing. Well done.

Our Headteacher's Award is for **William**! I ave been super impressed with William all term. I think he has had an excellent term in the Badgers class and this needs celebrating. Well done.

**Our Pupil Voice: I asked Monty if he enjoyed the school trip**  
**"Yes, It was the BEST"**
