

# Squirrels Class Newsletter.

## 2025

### What have the Squirrels been up to this week?

- In **RE**, we have been practising the nativity and discussing with the Squirrels and Mice, why we celebrate Christmas? Why is Christmas important to Christians?
- In **English**, we have planed and started writing our own story based around *Winter Sleep*. We are following the same structure but changing the seasons. I am really looking forward to reading them all when they are done.
- In **Maths**, we have completed some assessments this week before officially starting our new topic. Shapes! We will be spending some time looking at the properties of a 2D shape and what makes a 2D shape, before moving onto 3D shapes.
- In **Core Concept**, in DT we made our weather dials. We used the design from last week to make working weather dials.
- This week's theme in Collective Worship was Advent(!) you know what that means! We are on the countdown to Christmas. We looked at what advent is and when to light Advent Wreaths.

### Celebrations and What the Squirrels have to say...
