## What is this resource and how do I use it?

This pack includes 12 sheets, each with six questions, written in the style of the SATs maths reasoning papers. Your child can complete the questions and then have a look through them together to identify any areas they feel a bit wobbly. They're a great way to develop confidence and spot knowledge gaps.

## What skills does this practise?

Reasoning

SATs Practice

Varied Questions

## Further Activity Ideas and Suggestions

We have lots more [SATs resources](#) to support your child at home.
