

Mice Class Newsletter

Friday 10 October 2025

What has happened this week?

In RE this week we have thought about why Christians go to church to celebrate harvest. We also enjoyed walking to Stelling church and taking our food to share with the Canterbury food bank.

Physical Development ... The children are getting so good at working as a team and listening to and following instructions.

Communication and Language/ Literacy ... The children continue to work on fine and gross motor skills to develop their handwriting skills. Children are confident to recognise their own and their peers names.

Mathematics... This week we have counted objects, actions and sounds to 10.

Phonics—This week's phonemes have been h/b/f and l. Tricky words is and l. It has been great to hear the children's phonic language develop and hear them referring to a digraph.

Expressive art and design — This week we have explored printing with paint using different fruit and vegetables..

Reminders & Messages

In whole school worship this week our theme has been harvest.

Upcoming dates:

Parents' evening will be on the first Monday (27th) and Wednesday (29th) after the the break. You can book an appointment through dojo from 9am on Monday morning.

Do spread the word that we have an open afternoon on Thursday 16th October!

Work on the Wall: Ellie for fantastic blending in phonics.

Headteacher award: Rafferty for the curiosity he has shown when using our senses to explore different fruit and vegetables.

It was lovely to see the children walking across the fields to church to celebrate harvest as a school and community. Another week of super learning! Have a great weekend. Mrs Brown
