

# Otters Class Newsletter

Friday 26<sup>th</sup> April 2024

## What has been happening this week?

In **RE**, we learnt more about Pentecost and asked questions to deepen our understanding.

In **English**, we wrote diary entries, learnt some grammar, designed our own seawigs and wrote acrostic poems about seawigs.

In **Maths**, we finished our topic about time. Keep asking your children what the time is.

In **PSHE**, we looked at friendships and what makes a good friend. We also looked at conflict resolution so hopefully the children will be able to use the skills learnt to help in the playground.

## Celebrations & Pupil Voice

**Work on the Wall:** Roman and Finlay for their awesome seawig designs.

**Headteacher's Award:** Zakir for showing love and enthusiasm in his learning and Brooke for being a stand out super star all week and showing the school values.

**Shining Stars:** Zakir x 2, Milo, James, Brooke, Harry, Orson

**Pupil Voice:** "I can't wait to make the sandwiches"

## Reminders & Messages

On Wednesday, we will be making our own sandwiches.
