

Squirrels Class Newsletter.

28th November 2025

What have the Squirrels been up to this week?

- In **RE**, we have discussed more about the birth of Jesus with the start of nativity practice. Oh, how exciting!
- In **English**, at the beginning of the week viewed our nature video we filmed last week. We then looked at minibests who hibernate throughout the winter and explored how they manage to do it.
- In **Maths**, we finished place value to 100 before moving onto looking at our new topic of shape.
- In **Core Concept**, in geography we went on our Minnis walk, we looked at the weather and how it affects our surroundings as well as looking for places that would be good to hibernate.
- This week's theme in Collective Worship was continuing looking at proverbs and are they still relevant today. As well as making sure we are ready to sing for the Christingle.

Celebrations and What the Squirrels have to say...

For our 'Work on the Wall'

-Year 1: Fen has worked incredibly hard this week in maths. There was a day he finished his work, completely independently and the look of pride was outstanding. We went to show all the adults in the school just how hard he had worked. Well done Fen.

-Year 2: Maria had a wonderful attitude on our Minnis walk this week which she followed up with a brilliant write up, concluding our Geography lesson perfectly. Thank you Maria.

Our Headteacher's Award

-Roscoe: for always being so curious; whether it is about our learning, blue monsters or just generally. Roscoe's curiosity will always make me smile.

Our Pupil Voice

Benja: I think an animal lives in that hole, I wonder if it is hibernating?

Important Information:

- PE is on Tuesday afternoons.
- We will be partaking in Muddy Monday next week instead with Mice so we can have time with them practicing the Nativity.
- Thursday evening is 'Carols on the Farm.' If you would like to go, please speak to Henry, Max or Jo.

Teacher Message:

We have sent so much time outside this week. It has been a pleasure to see the children thrive in an outdoor classroom.

But(!!) next week is the official start of Nativity Researsal, oh we cannot wait!
