Friday 12th January 2024

What has been happening this week?

In **RE**, we have looked at the Holy Trinity and discussed the three parts that it includes. We have designed our own way to show the Holy Trinity too.

In **English**, we have explored different types of language to describe the King and begun to look at some poetry in preparation for writing our own poems next week.

In **Maths**, we have looked at factors and factors pairs as well as learnt column method for multiplication.

Year 3s had their first swimming lesson this week in which they made myself, Mrs Spencer and Mrs Cannell proud!

Otters also had their first Computing lesson from Mrs Spencer and their first Spanish lesson from me!
