

Otters Class Newsletter

Friday 13th February 2026

What have the Otters been up to this week?

- This week in Maths we have looked at length and perimeter. We have measured in millimetres, centimetres, metres and kilometres, added and subtracted lengths as well as calculated the perimeter of different shapes.
- In English, we edited and wrote up neatly on fancy paper our big writes. I was really impressed with all their efforts and use of vocabulary in this piece and they are all on display in the corridor.
- This week has been children's mental health week so everyday we have been reflecting on the theme of "This is my place." We have looked at what makes us who we are, where we think we belong and who is in our support network.

Our Core Concept this term is... Perception and Empathy

- This week for Geography, we had a visit from an Environmental Team who talked to us about the rainforest and deforestation and how we can do our bit to help. The children enjoyed showing off what they knew and learning some new facts too.
- In art, we used our knowledge of colours to colour our own rainforest pictures including all the animals we learnt about this term.

Celebrations and What the Otters have to say...

For our 'Work on the Wall' this week we are celebrating **Benja** and **Hunter**. I have chosen Benja for his incredible creation out of Jenga blocks. The attention to detail is amazing! I have chosen Hunter for his engagement, effort and score on his reading assessment as well as his great question asking when our visitor came in.

Our Headteacher's Award goes to... **Olivia**! Olivia is always ready to do the right thing, she asks when she needs help and always strives to do her best!

Our Pupil Voice:

"I can't wait to make my tin forest, it's going to be so cool! I'm going to put frogs and capybaras in it"

Important Information:

- **Welly Wednesday** is our new outdoor learning time so please ensure children have wellies, layers and a change of clothes in school as it is very muddy.
- **World Book Day: Thursday 5th March** - dress up as a word. Please see Mrs Jessup's letter for all the information.
- Please see the whole school newsletter for Term 4 dates

Thank you to all those parents who came in to support with the making of a Tin Forest.

Happy Half Term!

Miss Titmarsh 😊
