

Mice Class Newsletter

Thursday 24th October 2024

What has been happening this week?

We have made it to the half term break! Well done to all the children in Mice class who have all settled so well at Stelling Minnis. They have achieved so much this half term. Routines have been established and children are confident and independent toileting, putting coats and wellies on, choosing books to take home, participating in Worship, enjoying Muddy Mondays. They have loved PE sessions with Mrs Horton and are expert bouncers of balls now! It was wonderful to experience our first Farming Thursday and meet all the animals and listen to Farmer Henry.

It's amazing to think many of them had little phonic knowledge at the start of term and they are now confident with a range of GPC's and able to orally blend. They continue to make great progress in maths and having sorted, matched and compared and they are now working with numbers 1,2 and 3; subitising, recognising numerals and finding one more and one less than,

The class are so much fun and it has been a joy to work with them alongside Ms Lee, Mrs Gifford (who now covers the class once a fortnight) and Miss Foord our trainee teacher.

We wish you all a very well deserved break!
