

Squirrels Class Newsletter.

2025

What have the Squirrels been up to this week?

- In **RE**, we revisited the story of 'Jonah and the Whale' and what do Christians believe God is like. We then went on to think deeper and making connections to what we think God is like.
- In **English**, we have been working up to writing a poem inspired by the meteor shower based around our emotions.
- In **Maths**, we have started the tricky task of number bonds to 20. This has been a slower journey this week with lots of opportunities to use manipulatives and building the number.
- In **Core Concept**, in *History* we explained why Mary Seacole was courageous and discussed how we can remember her. We went on to design a medal based around her achievements for those who deserve it in the future. In *Art*, we had a go at drawing faces with different expressions and show feelings.
- This week's theme in Collective Worship was men and women whose faith helped to change the world.

Celebrations and What the Squirrels have to say...

For our 'Work on the Wall'

-**Amariah** this week worked hard and was really thoughtful in our RE lesson. In her book, she wrote that 'God is courageous' and I thought this was beautiful.

-**Maria** wrote a lovely note to Rocket from her brother this week with brilliant sorry message and encouraging advice.

Our Headteacher's Award

-**Fen** has been working really hard in reading with Miss Lee, he has been trying his best and we are so proud of him for being so brave. Well done Fen.

Our Pupil Voice

Archie: I think meteor showers are beautiful like a rainbow.

Freya: God is like a sunset
