

# Squirrels Class Newsletter

Friday 19<sup>th</sup> September 2025

## What has been happening this week?

In **RE**, we looked at the story of 'Jonah and the Whale' and the idea that God care, God, forgives and God gives second chances.

In **English**, we have been making our own flyer to invite people along to Rocket's Meteor Shower using some very exciting describing words.

In **Maths**, we have been looking at adding one more and one less to a number, as well as completing number lines within 20.

In our **Core Concept** lessons this week, we have been looking more into Mary Seacole's life and discussing why she is a famous figure in history. In art, we have explored creating texture shading and blending in our books.

This week's theme in Collective Worship was 'People of Faith' – Ruth. Discussing being a loyal friend and supporting those that need it most.

## Celebrations & Pupil Voice

### Work on the Wall:

-Year 1: Freya has used some brilliant language this week while writing a persuasive flyer as well as working independently throughout.

- Year 2: Jenson this week has explored beautifully while using different types of pencils to make marks, some were hard and some were light and he did a fantastic job.

### Headteacher's Award:

-Amelia this week showed great compassion while some of the other Squirrels were struggling to open their water bottles to re-fill them at the beginning of the day and she sat there and opened them all up to help. What a lovely thing to do.

### Pupil Voice:

-Amy: Look at my face I drew, I love using computers.

## Reminders & Messages

-Just a reminder that I will not be in on Monday so please be sure that the children have their wellies and jackets/waterproofs in on that day. Thank you.
