

Squirrels Class Newsletter.

13th February 2026

What have the Squirrels been up to this week?

- In **RE**, we have been concentrating on our Class Worship, thinking about all the 'Good News' Jesus brought that we have been discussing this term. The Squirrels made me so proud, they were incredible. I hope you enjoyed watching your Squirrels shine.
- In **English**, we finished our book, 'Beegu,' what a loveable little alien. We loved discussing how the children in the book were kind while the adults were not.
- In **Maths**, we have been adding and subtracting 2 two-digit numbers. We learnt a new work in maths which was 'exchanging.' This is when we swap 10 ones to 1 ten and vice versa.

Our Core concept this term is:

Perception and Empathy

Celebrations and What the Squirrels have to say...

For our 'Work on the Wall'

Year 1: **Arthur** has been brilliant in our english writing this week, taking everything on board and producing a wonderful piece of work. Well done Arthur.

Year 2: **Rupert** has also completed a fantastic piece of english this week. He put so much effort into it and produced a brilliant piece of independent writing.
