

## Squirrels Class Newsletter.

### 19<sup>th</sup> December 2025

#### What will the Squirrels be up to next term?

In maths, we will be finishing our shape unit before moving onto addition and subtraction within 100.

In English, we will be starting a new book for the term, I always love the anticipation of starting a new book. I think they will like it.

In RE, we will be discussing 'what is the good news Jesus brings?'

We will be continuing with geography but starting a new subject, comparing Stelling Minnis to Kenya.

We will look at the mixing and matching effect in art.
