

Badgers Class Newsletter.

Friday 18th September 2026

What have the Badgers been up to this week?

-Well what a week in the Badgers class - I think we all deserve this weekend! This week the Badgers have been working towards writing a letter as Macbeth to Lady Macbeth. The Badgers have sequenced events from Act 1, looked at features of an informal letter, planned their own letters and drafted their letter in role! Well done.

-Our focus in Maths continues to be place value - we have looked at our understanding of numbers to 10, 000, 000 - including how to read and write numbers up to ten million. In Arithmetic we have looked at multiplying by 10 and multiplication.

- In class we have started our preparations for our worship next week with the Mice class.

-And not forgetting on Monday we launched our new houses! The children worked in their houses to do a range of fun activities with Mrs Smith, Mrs O'Callaghan and Mrs Smithson. For your information, Red House is now Barley House, Green House is now Clover House and Blue House is now Thistle House. We have removed the Yellow House.

Introducing our new core concept for this term:

Risk and Responsibility

This week in Art the children have focused on the skill of portrait drawing - Mrs Harrison has given the Badgers lots of tips with how to draw a face using your hands to measure parts of your face and where they sit. Next week we will properly start our History unit on Henry VIII.

Celebrations and What the Badgers have to say...

This week For our **'Work on the Wall'** - this week we are celebrating **Ivy M** and **May**. I have chosen May for her wonderful letter to Lady Macbeth - writing in role as Macbeth, great job May! I have also chosen Ivy M because she too also wrote an excellent letter as Macbeth but also because she has been such a wonderful role model to the younger children in school and has been shown already what a wonderful Head Girl she is and will continue to be- well done. **Our Headteacher's Award** - this week I would like to celebrate **Danny** - Danny went out of his way to create an amazing Shakespeare themed quiz for his peers today and they all loved it! They were really enthusiastic and Danny kindly treated everyone to some sweets treats too. Thank you Danny for showing being so curious at home with your learning, for showing the courage to stand up and share your work and for showing compassion by creating this for your class.

Our Pupil Voice: *"Tis time to test thee and see if thou has paid attention..." Danny's opening line for his quiz- brilliant!*
