## What has happened this week?

**Physical Development ...** There have been lots of outdoor experiences recently with children using their gross motor skills. The focus with Mrs Horton has been preparing for Sports Day so the children are confident and can enjoy the occasion as much as possible.

**Communication and Language/ Literacy ...** The children have engaged enthusiastically with our text 'The Naughty Bus'. This week we watched a clip of the happiest bus driver in London and talked about the difference between fact and fiction

**Mathematics...** We have looked at position and the vocabulary associated with this. We enjoyed the story of We're going on a Bear Hunt and used google maps to describe where we lived compared to school.

**Phonics—**We continue to revise all the Phase 3 GPC's and tricky words. We have been really concentrating on automaticity and reading words automatically without having to blend out loud or in our heads!

**Expressive art and design —** There has been a wonderful range of child led art produced in the indoor and outdoor environments this week.
