

Mice Class Newsletter

Friday 24th January 2025

What has happened this week?

In Personal, Social and Emotional Development... The children thought about goals for the future and all decided what they would like to do when they grow up!

Physical Development ... some great balancing, rolling and climbing in gymnastics

Communication and Language/ Literacy ... The children have enjoyed exploring the story of Goldilocks and the three bears

Mathematics... This week we have learnt about balancing and used the words heavier and lighter to compare mass. We have begun to explore capacity too.

Phonics—ow/ear/oi// ur Tricky words—into/ you/ was/ they/all/my/by

The children were really interested to find out about Artic animals and the reasons that predators and prey benefit from camouflage
