Friday 31st October 2025

What has been happening this week?

In **RE**, we have started looking at Sikhism and explored some important aspects to Sikhs.

In **English**, we have started our new book 'Marcy and the Riddle of the Sphinx', looked at constellations, predicted the opening of the story based on a picture and written a short story as well as created our own mini books about us.

In **Maths**, we have finished our addition and subtraction unit and started looking at our times tables.

In **History**, we flew to Egypt by looking at the continent it is in, its location and identifying the River Nile.

This week's theme in Collective Worship was wisdom.
