

Otters Class Newsletter

Friday 26th June 2026

What have the Otters been up to this week?

- This week in Maths we have been adding, subtracting money and giving change from notes.
- In English, we have started publishing our drafted and edited narratives, inspired by 'Milo Imagines the World'.
- In Science we have been exploring the importance of muscles and how they work in unity with our skeletons, allowing us to move.

Our core concept this term is:

Celebration and Change

What a scorcher this week has been! We have had to make changes to our daily routines to keep cool and hydrated and we have considered this as part of our core concept and how our climate is changing around us.

Our preparations for the Key stage 2 production- Matilda Jr are progressing at speed. The children sound amazing and we have started incorporating some movement alongside our singing. Watch this space for further updates.

Celebrations and what the Otters have to say...

For our '**Work on the Wall**' - this week we are celebrating **Sid** and **Isla**. Sid for the care he has taken to improve his handwriting when publishing his narrative. Isla for her lovely response to our Viking Learning. Great job, keep it up 😊

Our Headteacher's Award - this week it goes to **Hunter** for his impressive writing this week. Keep up the great work!

Our Pupil Voice "Muscles are joined to our skeleton by tendons, they are like string." May's response to our learning in Science.

Important Information:

- Remember wellington boots and wet weather gear for Forest School every Wednesday - Welly Wednesday
- Monday 29th June- Sports Day 2-3:20pm
- Wednesday 8th July- Whole School Trip to Wingham
- Saturday 11th of July- Folkestone Charivari Parade (see separate letter)
- Monday 13th and Tuesday 14th July- **Matilda Jr** performances

Otters,

A scorching, busy week in Otters. I am so proud of how well the children have coped in the heat.

I hope you all have a super weekend- Stay cool and I look forward to a cooler week ahead.

Mrs Smith x
