What has been happening this term?

Much of our learning this term will be linked with our text in Literacy which *Naughty Bus* by Jan and Jerry Oke.

In **RE**, we are learning about other people's faith by looking into "Which stories are special to me and why".

In **English**, we started our new book "Naughty Bus", which is proven to be a success already, as the children are very eager to listen and discuss the story.

In **Math**, we are learning how to manipulate, compose and decompose shapes for a purpose. We will then move on to sharing and grouping and after, visualise and build patterns.

In **PSHE**, we are learning about 'Changing Me'. This will start with how they have changed since birth and will include, discussing their transition into Year 1 next year.

In **Expressive Art and Design**, we are design our own 'train station' and 'bus'

In **Understanding of the World**, we are going to be exploring the "Travels and Journeys"

In **Phonics**, we are continuing with Little Wandle daily phonics, reading three times each week at school and books are going home on Fridays.

Welly Wednesday, will still continue through the term we are looking forward to harvesting and eating our crops.

Reminders & Messages

We are planning to send a class book and toy bus home, for the week and back on Friday, for your child to record their play and adventures with the bus. This can be on any way that is easy and suits your family dynamic. This book will then be passed around to the other children and hopefully by the end of term we will have a lovely class book to share. So, please only add what you feel happy for other families to see it too. We are also discussing travels and journeys and it would be great if you could share stories, photos and anything you might have from holidays or travels that you have done. Children will have a chance to show and tell this. If you like to come and talk about any of this with the children you are very welcome. Thank you for your support with this.
