

Otters Class Newsletter

Friday 11th October 2023

What has been happening this week?

In **RE**, we have explored the difficulties God may have faced when creating the world and thinking about ways we can look after the world.

In **English**, we have finished our story of Ug and discussed the ending, how it makes us feel and alternative endings.

In **Maths**, we have learnt how to do column addition with exchanging.

On Thursday, we had our first farm school session in which we had a tour of the farm, learnt about the Combine Harvester and fed the chickens, geese, pigs, alpacas and sheep. The children did all the adults proud and had a great time!

Celebrations & Pupil Voice

Work on the Wall: May and Zakir for their neat presentation of their column addition

Headteacher's Award: Isla for always showing love and respect in the classroom and Roman for his respect and enthusiasm in his learning

Shining Stars: May, Rosie,

Pupil Voice: "This is the best day ever!" – Farming Thursday
