

Squirrels Class Newsletter.

20th March 2026

What have the Squirrels been up to this week?

- In **RE**, we discussed Jesus forgiving the people. We then wrote a sentence to explain why it is important to forgive.
- In **English**, we have been having a debate around our book. What should the bluebird do? Stay with her friend, the Robot, or fly off to somewhere warm.
- In **Maths**, we have been looking at the maths symbol 'x' and what it means. We have discussed that it means 'times,' 'lots of' and 'groups of.' The squirrels have blown me away using any opportunity to show me they know their times table. Hearing them sing the 3 times table, could be my new favourite thing.

Our Core concept this term is:

Perception and Empathy

In DT, we designed our own windmill to get ready to make next week. We have said a successful windmill should spin easily, stay standing and be strong. I am excited to see how we get on.

In history, we discussed how places have changed over the years in Stelling Minnis and how that has been significant to us.

Celebrations and What the Squirrels have to say...

For our 'Work on the Wall'

Year 1: **Roscoe** has blown my away with his sentence writing this week. I think he showed pretty much every adult in the school his wonderful sentence work. Well done, Roscoe.

Year 2: **Martha** recorded our minibeast findings brilliantly into a pictograph in science this week. Great work, Martha.

Our Headteacher's Award

Holly shows so much curiosity in every aspect of school. She consistently sends in homework and always wants to challenge herself with every part of her learning. Thank you, Holly.

Our Pupil Voice

When talking about forgiveness:

Mina: We need to take away the meanness and give kindness instead.

Important Information:

- PE is on Tuesday afternoons.
- Welly Wednesday is on Wednesday mornings.
- Monday 23rd, afternoon we are at the Windmill, please pick up your Squirrels from there at 3. If your child is at after school club, please let us know in advance,

Teacher Message:

Thank you for two lovely parents evening this week.

I really enjoyed how many of you said their children have been singing their times tables at home. '3, 6, 9...12, 15 everybody...'
