

## Badgers Class Newsletter.

Friday 28<sup>th</sup> November 2025

### What have the Badgers been up to this week?

- This week the Badgers have started planning and drafting their next big write - the children are working on a newspaper report. To start the children have looked at the features of a newspaper in comparison to a story - the children have also re-created their own news report by acting it out like they are journalists on the TV! The badgers have now completed their first draft in their books too.
- In GPS we have continued with modal verbs and in our reading practice we have focused on mixed skills.
- We have continued with fractions! Adding and subtracting fractions when the denominator is the same and when it is different. The Badgers have also times fractions by a fraction.
- In RE we have been looking at the five mission marks and the works of a Christian.
- In DT we are making torches! Our first group of Badgers got to make their torches this week.
