

Otters Class Newsletter

Friday 14th February 2024

What has been happening this week?

In **RE**, we looked at light and how it is important in the world.

In **English**, we finished the story of Charlotte's Web and wrote our Newspaper Reports. On Friday, we watched the film of Charlotte's Web to finish our topic's learning.

In **Maths**, we explored capacity and volume and finished off our unit with an end of block assessment.

In **Science**, we went out onto the field and created our own animal habitats. The children worked well in teams and have created some lovely habitats for insects, foxes, rabbits, hedgehogs, mice and any other animal that may want to live there.

Celebrations & Pupil Voice

Work on the Wall: Vihaan for his impeccable presentation in his maths book and Roman for his fabulous Newspaper Report.

Headteacher's Award: George for perseverance with his work this week and Rosie for always showing love especially when her friends are sad.

Shining Stars: All of Otters for their hard work this week!

Pupil Voice: "Can we make more animal habitats tomorrow?"

Reminders & Messages

World Book Day – Thursday 6th March: Please can children make a potato that looks like a book character of their choice. There will be prizes for each year group. Also, please can children have a picture taken of themselves reading a book in an unusual place. On World Book Day, we will also be doing a Book Swap and Shared Reading among the school.

Have a lovely half term. We will see you back at school on Monday 24th February.
