

Otters Class Newsletter

Friday 7th June 2024

What has been happening this week?

In **RE**, we have been recapping our knowledge on Sikhism. Next week, we will be having our own Diwali festival.

In **English**, we have begun to look at our text called 'Milo imagines the world'.

In **Maths**, the year 3s have been learning about mass and capacity and the year 4s have been busy practicing and completing their Multiplication Tables Check. They have now all completed their check and I am very proud of them all!

In **Topic**, we started learning about the Vikings by creating a timeline of events.

We have also begun practicing our school play which will be Hansel and Gretel.
